To whom it may concern,

Re: Congo Road Causeway Closure Plan - Update

In the event of the causeway on Congo Road being flooded and a Eurobodalla Shire Council road closure being in place we have an emergency procedure.

Congo / S393 will use Bingie Road to access the Congo township and will turn around at the bus shelter near the caravan park entrance.

Congo – Broulee / S400 will use South Head Road and Congo Road in a small bus then turn around before the causeway. Therefore,

- Students who normally catch Congo / S393 who live between the bus shelter and the causeway need to meet Congo / S393 bus at the bus shelter.
- Broulee school students, who live in Congo township and normally catch Congo – Broulee / S400 will need to catch the Congo / S393 bus. Congo / S393 will interchange with Bodalla-Broulee / S391 at Bergalia Interchange in the morning to get these students to school. These students will need to get on S391 at school in the afternoons and then interchange with Congo / S393 to get home.
- Students who normally catch Congo / S393 who live between the causeway and South Head Road will need to catch Congo – Broulee / S400 then interchange with Town South / S409 to get to the schools located in Moruya. In the afternoon, the students will catch Town South / S409 from school and interchange to Congo – Broulee / S400 to arrive home.
- Students who go to a school in Broulee, who live between the causeway and South Head Road, and who catch Congo – Broulee / S400 go to and from school as normal.

If you know the creek is flooded, then please follow this plan. Please rest assured that the drivers will pick up your student(s) if they are at their bus stop and remind them where they need to go.

If you have any questions, please contact the office.

Regards

Peter Marshall
